

SEABON

Standard Equipment and Features

- Built-in transom with splash guards
- Rope lacing for a secure grip
- Built-in oarlocks for easy rowing
- Two Nylon Carrying Bags
- Two stainless steel D-rings for easy towing
- Front lifting/carrying handle
- All around rub strake and rub strake under the inflatable keel
- Two layers of material on lower tubes for greater puncture and abrasion resistance
- Self-bailing drain valve to empty out rain water
- Foot pump, repair kit and instructions
- Self-locking aluminum-edged wooden floorboards with aluminum stringers
- Towing Rope
- Breakdown aluminum oars
- Wooden bench seat

* Plastic floorboard : optional item (Page : 87)

The mid-sized SEABON makes a great multi-purpose sport boat.

A resilient inflatable keel deepens its underwater shape, providing superb boat handling and permits the craft to easily reach planing speeds using smaller outboard motors. Its wide beams and square bow configuration allow maximum interior space for passengers and equipment.

The SEABON is loaded with features at a price you can afford.
