

Type V Work Vests

Vinyl Dip Work Vest

Rugged and durable vinyl-dipped work vest for all industrial applications. Flotation foam retains buoyancy even when punctured. Acrylic layer sealant over PVC coating resists deterioration and is easy to clean. Large opening on back panel accommodates most brands of fall protection harnesses. 17 1/2 pounds buoyancy.

- Two encircling belts with snag resistant buckles
- USCG-Approved Type V work vest for 32"-54" chest size range
- Armacell™ flotation foam
- CFR 160.053 compliant
- CFR 1926.106 (OSHA) compliant

Work Vests

Lightweight and economical work vests for a variety of industrial applications. USCG-Approved Type V provides 17 1/2 pounds flotation buoyancy. CFR 160.053 compliant. Meets OSHA standards (CFR 1926.106) for workers aloft over water. Universal-sized work vest approved for chest ranges 32" to 54".

Model 290RT Details:

- Soft cotton twill covering draws heat and sweat away from worker
- SOLAS-grade reflective tape
- Two encircling belts with snag-resistant buckles
- Lightweight construction comfortable to wear

Model 290EFRT Details:

- Durable 200 denier polyester covering resists UV deterioration draws heat and sweat away from worker
- SOLAS-grade reflective tape
- Two encircling belts with snag-resistant buckles
- Lightweight construction comfortable to wear

Model 298RT Details:

- Vinyl-covered PE foam resists oil and dirt absorption
- Split back panel accommodates most brands of fall protection harnesses
- SOLAS-grade reflective tape
- Two encircling belts with snag-resistant buckles
